Flat Stanley

Hi,
My name is Flat Stanley.

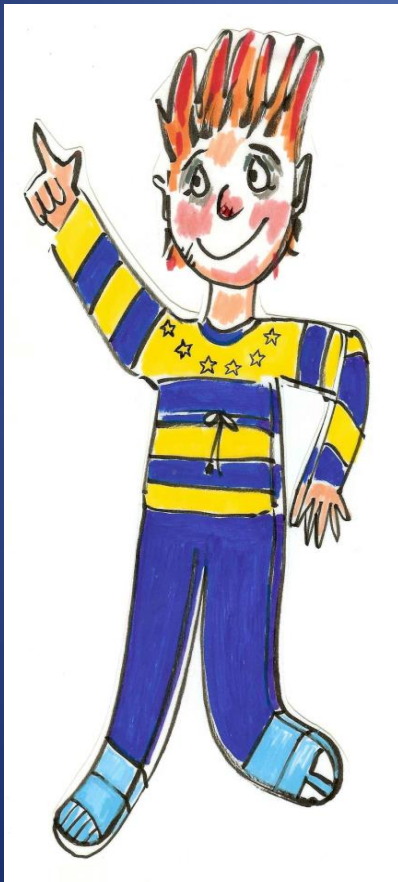

I was born in the USA. I lived in
various places.

Now I live in Europe. So I'm a
European Citizen!

Look at me in my Flat Stanley
Elicit outfit.

The story of Flat Stanley

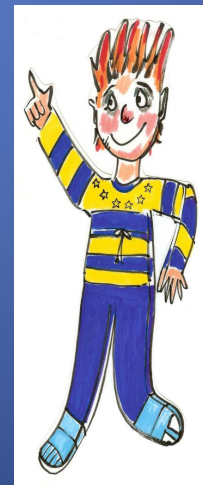

- I was flattened by a bulletin board when I was asleep.
- I was so flat that I could visit my friends by being mailed in an envelope.
- I visited a lot of countries... very cool!
- And now I want to be a European Citizen and the ambassador of ELICIT.
