

# From ISTEPEC to TTIMS

ISTEPEC

Intercultural Studies in Teacher  
Education to Promote European  
Citizenship

<http://www.istepec.eu>

Challenge bias of teachers

Rural, Poor, ignorant

UN Respect Identity + mother tongue  
parents from host country

TRAINING

Motivation ↑

Didactic ↓  
e-multi media (E-learning & Co)

Do teachers know their own culture?

Teachers of same ethnicity and migratory status

Challenge Are teachers trained to deal with diversity?

playground language  
Street language

Accent

Slang ← Ethnolects → Dialect

multicultural

Diversity is acknowledged. No interaction though. Assimilation?

Areas for improvement... Assessing pupils' mother tongue?

Diversity in Education (?)

Difference between urban and rural area.

transcultural

(Differences are not acknowledged). Similarities are stressed.

A.F.I. ... intercultural/multicultural syllabuses (history, literature, religion...)

reciprocity. Cultures interact. Too much pressure on pupils to represent 'their' culture?

Media Representat

Transitional Class (TA?)

lower popn rate = saving = surplus for migrants

Culture for a child is the school, home and their society of friends  
FAMILY STORY

Challenge Economic constraints not enough money for TAs, interpreters ...

Religion
