The steering committee is composed of Partners 1, 2, 3, 4, 7 & 10.

Partners 3, 4, 7, 10, 13 and 16 are in charge of evaluation and Quality plan.

Partners 3, 7, 11 and 14 are developing the European Common Mention for Teachers.

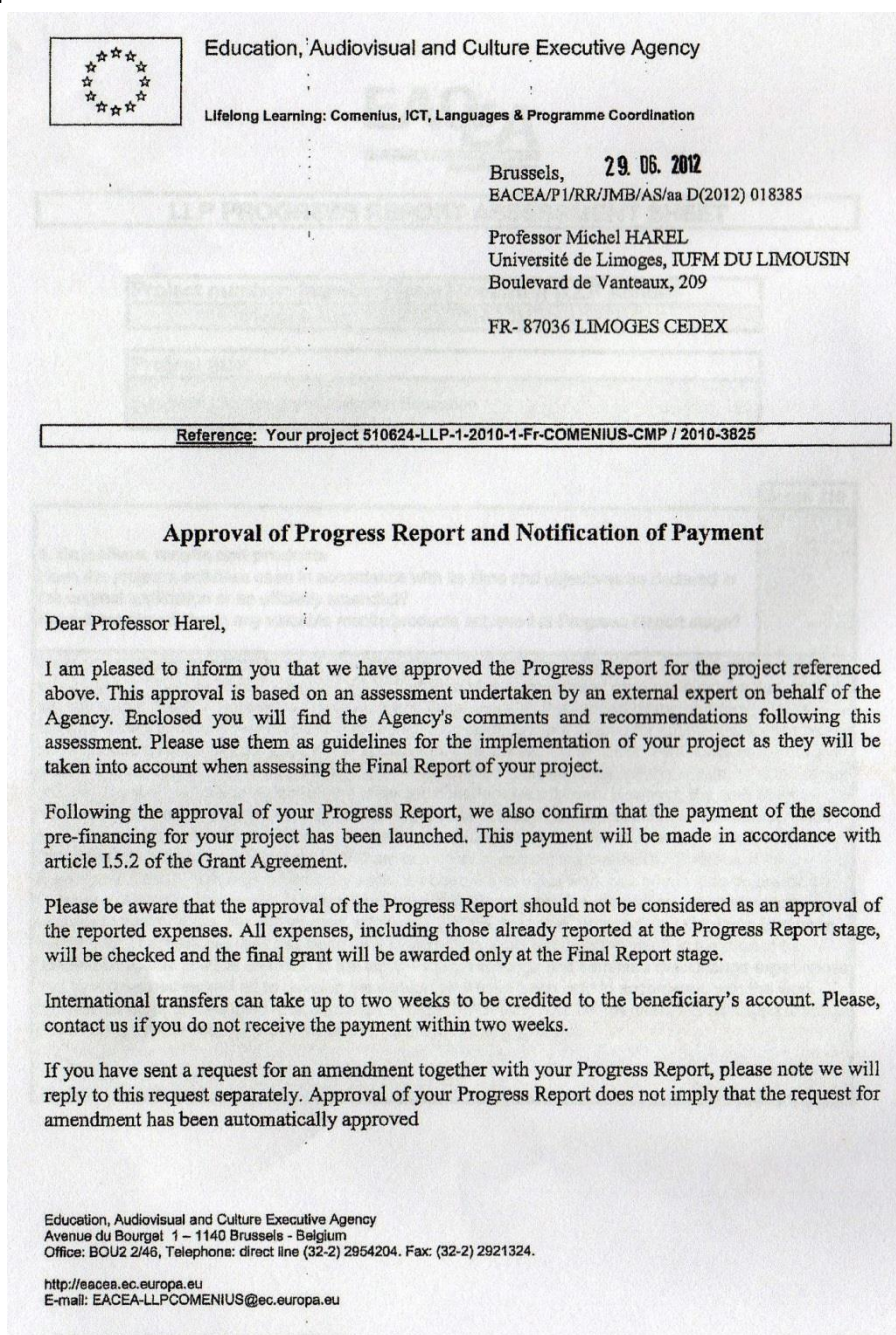

All partners are involved in the production and experimentation of the products and will ensure the dissemination and valorisation of the project after its completion.

March 2012 – Progress Report

During the month of March 2012, the partners were busy contributing to the writing of the *Progress Report*.

All the documents were sent in due time to EACEA. They can be viewed and downloaded on <http://www.aede-france.org/ELICIT.html>

Supplementary information was required and provided, so that Professor HAREL eventually received the letter of approval at the end of June 2012. The attached comments and recommendations will be very useful for the continuation of our work and the production of the final report.

Please pay specific attention to the weaknesses and comments identified by the expert under the following points: 1. 'Objectives and results', 6. 'Evaluation', 7. 'Dissemination', and especially point 2. 'Coherence between workplan and activities carried out during life of the project'. As a result you and your partners should take these issues into account when planning and implementing the next stages of your project.

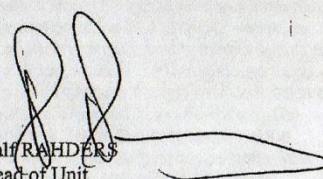

Based on these observations the Agency will expect to see evidence in the final report that these issues have been integrated into the partnership's work.

Please note that the LLP logo, recognition of Community funding and official disclaimer should be included in all project products and outcomes, including the different project websites. Failure to add these elements could result in the Agency being unable to accept the results of the project at Final Report stage and have an impact on the payment of the last instalment of your project's LLP Grant.

The LLP logo and a translation of the funding disclaimer in the official EU languages can be found on the following website: http://eacea.ec.europa.eu/about/logos_en.htm

Please do not hesitate to contact Andrea Szakonyi should you have any further enquiries.

Yours sincerely,

Ralf RAHDER
Head of Unit
